NOTICE OF PROPOSED RULE MAKING**Adopted: September 23, 2005****Released: September 27, 2005****Comment Date: November 18, 2005****Reply Date: December 5, 2005**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it for consideration a Petition for Rule Making filed by Claire Giannasi ("Giannasi"), proposing the allotment of Channel 250A at Charleston, Tennessee, as that community's first local service. In order to accommodate the proposed allotment, Giannasi also requested the reclassification of Station WSIX-FM, Channel 250C, Nashville, Tennessee, to specify operation on Channel 250C0. On August 15, 2005, the authorization for Station WSIX-FM was re-issued to reflect a modification of class from C to C0.¹ For that reason, we now seek comments on the proposal for the allotment of Channel 250A at Charleston, Tennessee.

2. Giannasi states that Charleston is an incorporated city and a census designated place with a population of 630 persons. The city has its own post office and ZIP code (37310), and it is governed by an elected mayor and council. Charleston has its own police and city fire hall, ten churches, and several business establishments.

5. The proposed allotment at Charleston could be made with the site restrictions and reference coordinates indicated below. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to Charleston, Tennessee:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Charleston, Tennessee	---	250A

¹ See License File Number BMLH-19831110AH. The reclassification on August 15, 2005, of the authorization for Station WSIX-FM, reflects the grant of permit BPH-20031112AGY for Station WLLX-FM, Channel 248C2, Lawrenceburg, Tennessee. Prior to the reclassification, Capstar TX Limited Partnership, Inc. ("Capstar"), the licensee of Station WSIX-FM, was afforded an opportunity to show cause why its license should not be modified to specify Channel 250C0 in lieu of Channel 250C. Capstar did not indicate its intention to upgrade WSIX-FM's facilities to full Class C level; accordingly, the authorization for WSIX-FM was modified to specify operation on Channel 250C0.

Proposed Coordinates for Channel 250A at Charleston, Tennessee: 35-19-11 NL and 84-37-00 WL, at a site 13.4 km (8.3 miles) east of Charleston, Tennessee.

6. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the *Appendix* before a channel will be allotted.

7. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules,² interested parties may file comments on or before November 18, 2005, and reply comments on or before December 5, 2005, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of any filing should be served on counsel for Giannasi, as follows:

Kris R. Kendrick, Esq.
Post Office Box 82032
Athens, Georgia 30608-2032

8. Parties must file an original and four paper copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Pennsylvania Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. **All filings must be addressed to the Office of the Secretary, Federal Communications Commission. Any filing that is not addressed to the Office of the Secretary will be treated as filed on the day it is received in the Office of the Secretary. See 47 C.F.R. § 1.7. Accordingly, failure to follow the specified requirements may result in the treatment of a filing as untimely.**

9. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.³ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition,

² See 47 C.F.R. §§1.415 and 1.419.

³ See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 Fed.Reg. 11549 (February 9, 1981).

therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.⁴

10. For further information concerning this proceeding, contact Deborah A. Dupont, Media Bureau, at (202) 418-7072. For purposes of restricted notice and comment rule making proceedings, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in the particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the Petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* 47 C.F.R. Section 1.420(d).)

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the Giannasis. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
